

# The ARID™ Program

Smart Planning. Sustainable Results.

## Assess, Recommend, Implement, Donate.

The ARID™ Program is Ecoblue's comprehensive water management consultation and implementation service. Through expert assessment, customized planning, and turnkey project support, ARID helps facilities reduce water use, control costs, and achieve long-term sustainability.

### Comprehensive Assessment

- On-site analysis of water use
- Restroom evaluations
- System performance review
- Identification of odor sources

### Customized Strategy

- Tailored water management plans
- Fixture and process upgrades
- ROI analysis for recommendations
- Rebate and funding support

### Turnkey Implementation

- Retrofit project planning
- Contractor coordination
- Product sourcing
- Installation oversight

### Ongoing Support

- Maintenance program development
- Staff training and best practices
- Ongoing performance monitoring
- Continued operational support

## Is ARID™ Right for Your Facility?

- Persistent restroom odor complaints?
- Need to improve maintenance training procedures?
- Inconsistent cleaning or servicing routines?
- Frequent cartridge or fixture replacements?
- Drain buildup or recurring performance issues?
- Aging or inefficient restroom fixtures?
- Unsure about available water rebates?
- Rising water bills with no clear explanation?
- Sustainability goals without a clear plan?
- Want water savings but unsure where to start?
