

Smarty Bee®

The waterless replacement cartridge that

SAVES YOU MONEY, TIME & EFFORT

Smarty Bee® & Ecoblue®:
A Smarter Solution
for most waterless
urinal systems.

INNOVATIVE CARTRIDGE DESIGN

+ ECOBLUE MICROBIAL TECHNOLOGY

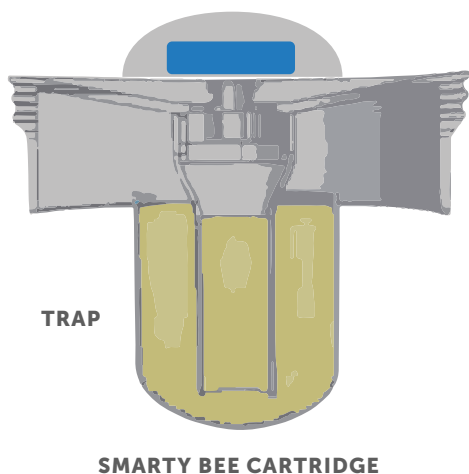

- Best odor control
- Eliminates the need for costly sealant
- Reduces housing and drain line sediment
- Allows for use of water to flush cartridge & drain line
- Extends cartridge life
- Tamper resistant

Smarty Bee cartridges are compatible with most waterless systems AND comply with industry standard and applicable plumbing codes.

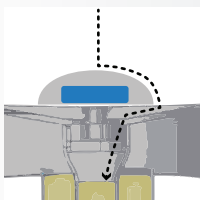

*Together Smarty Bee®
& Ecoblue® make
no-flush urinals
work better.*

ECOBBLUE DOME

HOW IT WORKS

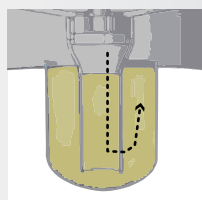

1.

Liquid flowing over Dome releases beneficial microbes, fragrance and surfactants.

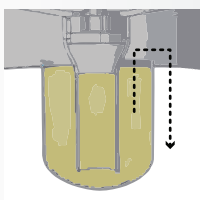

2.

Trap retains enough liquid to create proper seal and turns over the rest.

3.

Excess liquid flows into drain line.

Simply, A Smarter Design

UNIQUE & INNOVATIVE

- The highly-efficient trap maintains a proper seal without the use of costly sealant.
- Beneficial microbes inside the dome control odor + reduce scale formation.

Smarter Savings

SAVE TIME AND EXPENSE:

- Reduce cartridge changes
- Reduce cartridge odor complaints
- Easier maintenance for blockages

Smarter Maintenance

- Quick and easy cartridge installation and dome changes
- Pour water any time
- Easier Smarty Bee & Ecoblue microbes do all the work for you

Smarter Effectiveness and Reliability

- Optimized trap design + microbial performance
- Complies with industry standard and applicable plumbing codes
- Compatible with most waterless systems
- Keeps facilities looking clean and living "green"
